

Move-Out Instructions for Residents

Our office must be notified, in writing, 30 days prior to your intent to vacate your apartment. Failure to provide the 30-day notice will result in a charge of one month's rent. Once we receive your notice, your apartment will be pre-inspected by LSS Property Management Group, LLC so that an assessment can be made of the work that needs to be done. You will be given advance notice of this pre-inspection and you do not have to be there. **Once your apartment is empty and you are ready to turn in the keys, it is your responsibility to notify the resident maintenance person/rental agent to do the final inspection.** If we do not hear from you, your apartment will be inspected on the last day of your notice.

The following move-out instructions detail your responsibilities. If we have to do the following work, you will be charged. Charges will be assessed for all additional cleaning based on the time spent over and above the customary turnover cleaning time. These charges will also apply to the removal of excessive buildup of nicotine caused by smoking material, either by means of additional cleaning and/or any necessary additional priming or painting made necessary by the condition.
